- Facility powered by utility power. Robust emergency operations power provided by a 545 kW backup generator fueled by underground natural gas service
- Secure Intranet and Brighthouse provided Internet service with Verizon T1 backup. Secure Wi-Fi onsite
- Deep well loading dock tractor trailer cargo loading and unloading. Facility also has a 24 ft ceiling in warehouse and high clearance garage door for full size truck entrance if required for loading/unloading or vehicle integration or installations.

CME Policies and Procedures:

Arrival:

If receptionist is not available press the white button and someone will come to the door. Proceed to the security desk in front of the facility. Inform the desk that you are scheduled with a CME employee, sign in and ensure you have a visitor badge. Visitor badges must be displayed at all times.

Loading Dock:

If you need to make a truck delivery proceed to the back of the building off of 37th Street. This is where the loading dock is. Press the call button and someone from shipping and receiving will assist you.

Parking:

Parking is available in front of the building and does not require a permit. Handicapped parking is available.

Departure:

Return to the entrance you were received in and be sure to sign out and return your badge.

Security Policy:

CME is a fully Secure Facility. Weapons (of any kind), drugs (other than prescription drugs prescribed by a licensed medical professional), and alcoholic beverages in any form, are not permitted at the facility. Failure to comply or refusal with this policy will be cause for immediate removal from the site. If this condition exists or is suspected, Security will be contracted immediately. Foreign nationals require prior approval before admittance into the facility.

Prior authorization is required before a camera or video equipment can be brought into the facility. CME is not responsible for personal belonging, lost and found inquires should be made with the receptionist.

Smoking:

You are welcome to smoke outside of the building on the 37th Ave side of the building.
